

Your Local Source for Pools, Hot Tubs & Supplies

Spring Opening Agreement

Basic Pools Opening Includes: Reassembly of all winterized equipment, including ladders, hand rails, diving board, pump, filter, heater, and related plumbing; removal, cleaning, and folding of cover.

*If you have a mesh safety cover and would like us to remove debris and treat for algae, make sure to request that service. DO NOT lower the water level before we arrive.

**In order to start the pump for you, the pool must be filled $\frac{3}{4}$ way up the skimmer. Chemical treatments cannot be added without the pump running.

***Sand in sand filters should be replaced every 3-5 years in chlorine and bromine pools, and every year in Baquacil pools

Service	In-ground Under 24k	In-ground Over 24k	Aboveground
Standard opening	\$235.00	\$260.00	\$160.00
Debris removal <i>from pool</i>	+60.00	+75.00	+50.00
Water removal <i>from cover</i>	+75.00	+75.00	+75.00
Sand change	+100.00	+125.00	+75.00
Algae treatment	+25.00	+30.00	Up to \$30

Additional work of repairing equipment may require additional fees and/or a return visit. The bulk of the water and debris is to be removed prior to our arrival unless that service was requested. We are not responsible for debris that may fall into the pool. There may be additional charges for return visits.
